Hi my name is _____ and I'm with Flames of Nebraska Girls Fast Pitch Softball. We are a softball team representing Central Nebraska on a National level. We would appreciate your help and support. We are offering our new 2012 Range Riders western calendar which make wonderful Christmas gifts and features 12 beautiful full color western paintings by local Kearney artist Bob Kerby. They also have the nice big squares to write in notes and appointments and are really quite useful. They are only \$7.00 each. We would really appreciate your support plus we will actually deliver your calendars to you personally. Would that work for you?
